

Live Beautifully with  
PowerView® Automation

HunterDouglas

When your shades sync to the rhythm of your life, everyday living is more beautiful, comfortable and effortless. PowerView® Automation is the industry's most innovative technology. It moves your Hunter Douglas shades automatically, whether you're home or away, according to schedules that you set.

## A Day With PowerView®

### 7:00 AM MORNING

Schedule shades to operate at your preferred wake-up time.

### 2:00 PM AFTERNOON

Shades adjust to protect furnishings from harsh midday sunlight.

### 5 MINUTES BEFORE SUNSET

Based on your local sunset time, shades open to reveal your best view.

### 10:30 PM BEDTIME

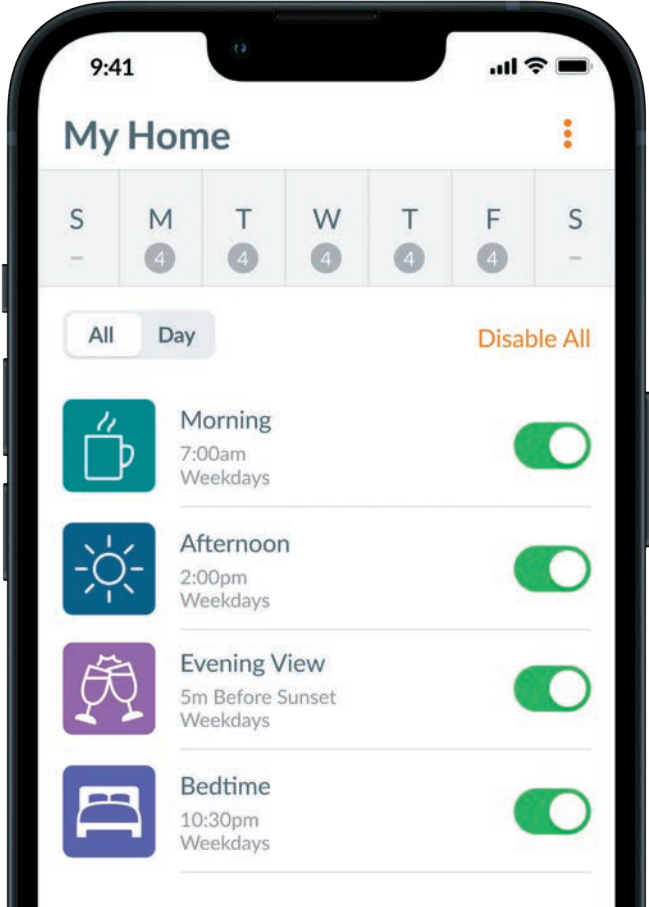

Shades close automatically for privacy and a perfect night's sleep.

### INCREDIBLE CONVENIENCE

Morning, noon and night, your shades move automatically to create the perfect light and ambiance within your home. The PowerView® App makes it easy to schedule shades to move to your preferred positions.

## EFFORTLESS CONTROL

Busy in your home office, or comfortable on the couch? Use your voice to move your shades with your favorite voice assistant. PowerView® also works with many home automation systems you already know and love.<sup>1</sup>

## **PRIVACY AND SECURITY**

PowerView® gives you peace of mind. Scheduled operation ensures your shades are closed when you want privacy, and makes it appear that you're home when you're away.

## ENERGY EFFICIENCY

Your automated shades can open and close with the sun's movements, making it easier to save on costs to heat and cool your home.

## CHILD AND PET SAFETY

Feel at ease knowing that what matters to you most is protected. All PowerView® shades feature cord-free operation, so they are safer for homes with kids and pets.

## FLEXIBLE POWER OPTIONS

Hunter Douglas PowerView® shades are available with a variety of power options, including a rechargeable battery and hardwiring capability.<sup>1</sup>
